BALLOT ISSUES ARE BRIEFED FOR RESIDENTS

Editor's Note—This is the sixth of eight articles explaining propositions appearing on the Nov. 4 election ballot.

The law under which California once enforced severe restrictions on employment, movement and immigration of Chinese has never been erased from the statute books.

It is Article 19, enacted in 1879, and it still is part of the State Constitution, although its provisions have not been enforced for many years.

Proposition 14 on the November ballot proposes to eliminate the ineffective law.

Supporters of the measure warn there is danger Article 19 might foster "misunderstanding and mutual distrust" between different racial groups if it is permitted to remain in the Constitution.

One section of the law prohibits corporations from employing Chinese or Mongolians. Another prevents the state, counties or cities from hiring them on public works. Still another delegates authority to cities and towns to confine Chinese or restrict them in certain areas.

Some of the provisions were declared unconstitutional. Others were held to be in violation of a treaty between the United States and China.

The secretary of state's official report on pros and cons of propositions contains no arguments against passage of Proposition 14.

Authors of Proposition 19 say it will make Grand Juries better able to carry out important investigations of corruption in government. Proponents warn it advocates a "dangerous innovation".

The disputed provisions of the measure are: (1) At least three members of a Grand Jury must serve on the succeeding year's Grand Jury. But not more than nine of them can serve again; (2) No person can serve as a grand juror more than two consecutive years. No juror can serve more than one year as foreman of the Grand Jury.

Assemblyman John D. Babbage of Riverside County asserts many vital investigations are never completed because a new Grand Jury has a hard time taking up where the preceeding one left off.

With three to nine members of the previous body present, Babbage says, a new Grand Jury would have little difficulty in carrying out important investigation to a succesful conclusion.

Two former members of the Los Angeles County Grand Jury are among the outspoken opponents of Proposition 19. They are L. Nathaniel Fitts and Hayden Jones, who recall that Governor Warren vetoed the bill and "severely criticized" it as an attempt to alter historical characteristics of Grand Juries.

'.Continuity of membership does not insure continuity of inquiry", opponents declare, adding that a Grand Jury always has access to reports and records of previous juries.

Proposition 15 would mainly achieve two changes:

1—It would impose state motor vehicle taxes on banks and insurance companies (now exempt); and

2—It would include the State Compensation Insurance Fund within the definition of "insurer", placing it on an equal basis with private insurers.

State Senator Randolph Collier declares banks and insurance companies are willing to pay the auto license fees. No opposition is recorded in the secretary of state's report.

To prevent discrimination against state banks, the proposed amendment provides that their vehicles won't be taxed until there is a federal law to tax vehicles of national banks in the same way.

Hospital Issue To Be Aired

Pro and Con speakers on West Valley Hospital Bond issue will address a VFW gathering at Country Women's Club Tuesday, October 21, according to club spokesman.

Mrs. Charles Chubb will deliver an address against the proposal.

The fifteen minute talks will be open to the general public and will be conducted from 8 to 8:30 p. m.

Following the talks there will be a closed meeting.

CAMBRIAN MEN'S CLUB

Cambrian Men's Club will hold a dinner party Tuesday evening in the Cambrian Youth Center. Adult tickets are one dollar and children's tickets will cost fifty cents.

WEST VALLEY HOSPITAL MATCHES $500,000 INDUSTRY IN THIS AREA, SAYS H. C. ADAMSON IN TALK

At the invitation of Rev. Corwin H. Olds, pastor of Campbell Congregational Church, Hans C. Adamson told a gathering last night the proposed West Valley Hospital would match a $500,000 industry.

Adamson, leader of the recently organized Citizen's Campaign Committee, told the congregation that:

"Upwards of 100 people will be employed at the hospital and this income, plus purchases of food and materials will easily near a ½-million dollar mark annually. However, this is only part of the total economic contribution the West Valley Hospital will make to our community. It will mean that our people will receive more prompt hospital attention, enabling them to return to their homes and their jobs sooner than they could if they were compelled, as many are now, to wait until accommodations are available at one of the San Jose hospitals."

"Let us take the case of one of our people who on Sept. 18th of this year suffered an appendix attack. His doctor could not get him in any of the San Jose hospitals, even though it was a near emergency, so up to San Francisco they sped for the needed operation. There are score of instances we know about which prove beyond any question of doubt the great need for more hospital facilities in our West Valley District. And this all represents loss of productiveness on the part of the family man, businessman and worker, and loss of income to the community", said Adamson.

Adamson cited the teamwork between the family physician and the modern hospital and the tremendous gains made in recent years in reducing the death rate and man-hours lost in the past due to out-of-date medical facilities.

"Sixty years ago, if you went to hospital you could expect to stay there for 52 days. That was the national average then. Today you will not stay in the hospital for more than 8 days if you are the average patient," said Adamson. "Think of the tremendous contribution this has made to greater productivity of our nation and how this factor alone has helped raise our entire standard of living. The invisible burden borne by the bread-winners who couldn't take advantage of modern hospital facilities and the loss of income the community subsequently felt is now being lifted and eased through the enlightenment of our people."

"In 1940, for example, 10 million Americans went to the hospital. In 1950, ten short years later, 17 million were hospitalized. Statistics would indicate that one out of eight people in this room will spend some time in a hospital before next Columbus Day," continued Adamson. "This does not mean Americans are deteriorating in health. It does signify we are becoming more "hospital conscious" and are today more apt to take advantage of the magnificent technological advances offered by our modern physician-modern hospital health "team". This "lifeline of survival' team must certainly be working effectively for it has given you and me the opportunity to live to a ripe old age. Today you can expect to live 5 years longer than the average lifespan of 10 years ago. And you live twice as long today as you would have 70 years ago, or around 1880," stated Adamson.

Adamson concluded his statements with ,Our committees efforts to bring to you the reasons why a West Valley Hospital is so direly needed is not a "do-gooder" program on the part of a group of chronic 'do-gooders'—few of us on this voluntary committee have ever engaged in a project of this sort. We think we are bringing to you what I would say are the basic "facts of performing a public service in life"—or death. So I will say that West Valley Hospital Dollars DO Make "Health Sense" for the people of the booming West Valley communities. Vote '.yes" on the West Valley Hospital bond issue, Nov 18th."

MAINE VISITORS

Mr. and Mrs. A. J. Nichols, of Rockland, Maine, were guests of Rev. Corwin H. Olds, on Sunday. They were members of his former church in Maine.

WALSH DISCUSSES BALLOT ISSUES AT GRANGE MEET

Martin S. Walsh, Campbell attorney, enumerated and clarified state propositions on the ballot for November election in the lecture portion of Orchard City Grange meeting Tuesday.

Lecture program was arranged by Mrs. Lucille Hoerler. Acting master Mark Purmort presided.

Lecture hour was closed by several duets sung by Mrs. Lucille Hoerler and William G. Jackson.

Mr. and Mrs. J. C. Gordon were elected alternate delegates to the coming Grange convention in Santa Barbara. Mark Purmort, acting master is also a delegate.

Emil Biller, treasurer, reported a $1411.59 balance in the Grange building fund.

Mrs. Leone Keesling, Home economics section, reported receipts of $93.26 from the strawberry booth at the County Fair. She also announced a Pomona Home Economics Men's night meeting at Gilroy, October 27. Potluck will be served at 7:30 p. m. she said.

A resolution from Morgan Hill Grange was read advocating punishment of narcotic peddlers. First offense would raise a six year sentence; life imprisonment for second, according to the resolution. The proposal was passed on to State Grange authorities for further study.

Refreshments were served in the banquet hall by the following committee: Mr. and Mrs. Herbert Shadle and Mr. and Mrs. Warren McKenzie. Many pies were donated and sold by Grange members.

Mrs. Alice Reynolds is leaving for a trip to St. Petersburg, Florida and was honored by a farewell soong, "Aloha", a duet by David and Virginia Rutherford.

HIGH SCHOOL PTA ENDORSES PROP. 2, 24, AT MEET

A large group of Campbell High School Parent Teachers Association met October 8, in the Girls' Gym for a delicious cafeteria dinner served by Mrs. James Gleed and her staff.

Laurance J. Hill, principal, introduced the faculty members. Mrs. Eugent Andres, Jr., president of the Campbell P. T. A. called the meeting to order. Mr. F. Larson led the salute to the flag.

Inspirational reading was given by Mrs. D. Adams. Two piano solos were played by students of the music department.

Mrs. Eugen Andres, Jr. then introduced the program chairman and vice-president Mrs. Charles Mitchell, the magazine chairman Mrs. R. T. Overacker, the membership chairman, Mrs. Howard Keech, and the budget chairman Mrs. Lester Hinz.

Kenneth N. Wallace announced the variety show to be given by the students October 24, at 8 p. m. at the Campbell High School auditorium.

Mrs. Leonard Meritt spoke on the District P. T. A. meeting and also on Proposition 2 and 24, and it was voted that the Campbell P. T. A. would go on record as unanimously favoring these measures.

Laurance Hill, chairman for the evening, introduced Mr. George Hunter, Dean of Boys at Lincoln High School. Mr. Hunter having just returned after a year's stay in Iran, gave a very interesting talk on the country and schools of Iran. He also showed slides of Iran..

The next meeting of the Campbell P. T. A. will be held on November 12, at 7:30 p. m. "Back to School" will be the featured topic. Parents may visit classes of their sons and daughters.

$4,000 REACHED IN FUND DRIVE; FIVE SECTIONS STILL UNREPORTED

Campbell Area Community Service Fund Headquarters reports that receipts exceed $4,000. Tabulations from all areas are incomplete, and five sections are unreported to date.

"The drive is progressing satisfactorily," said Ed Tablak, chairman. "It takes time to do a thorough job of canvassing. Since many of our workers are very busy people people who are adding this important civic service onto a full sched, ule, we have to extend our drive over a period of time long enough to permit them opportunity to complete their task."

"The generous subscriptions of many people are an indication that our Drive will be successful. We urge every resident to contribute. If you can afford only a small amount, give it proudly to your community. Do not turn your solicitor away empty-handed. Give something."

"You will help keep up the overall average if you give your bit, even though it be small. You will feel happier having helped, your solicitor will be encouraged, and your Service Fund will grow. Then your community can expand family services and youth programs and have more to offer your own family," said Tablak.

Dr. Robert Wade, President of the Service Fund Board, expressed concern over the possible lag of youth organizations due to the tremendous growth of Campbell area in recent years. "Our recreation programs and constructive organizations for young people must keep pace with community growth or we will have serious problems of delinquency to overcome," said Dr. Wade.

It is reported that one of Campbell's elementary schools alone has had $500 expense in replacing the smashed windows in the past six months. A more adequate youth program might have prevented some of this wanton destruction When young people become poor citizens, they become a costly burden to the community. Constructive youth and recreation programs to promote high ideals and build good citizens are cheap in comparison to the destruction of property and the cost or rehablitating young criminals.

The Service Board of Campbell area strongly feels that citizens should become aware of the benefits to be derived from supporting the Community Service Fund, so that organizations promoting good citizenship can be expanded enough to accomodate the increased number of young persons in the area.

There is no choice in paying the bill of neglect. Like the school house windows, the bills for court costs, jails and institutions are paid out of tax money which every citizen contributes. The higher the cost of destruction the less money there is for constructive programs, and taxes go higher and higher. The costs in human waste and suffering are beyond comprehension.

Campbell area is a nice place to live. It can be kept that way by supporting constructive community programs and organizations. The Community Service Board and the many campaign workers are giving much time and effort to make possible the success of such organizations. Through the cooperation of the residents of Campbell area, a youth movement can be sustained that will be of great benefit to the communty. Build good citizens, not criminals, and schools can be built instead of jails with our tax money. The youth of today are the citizens of tomorrow. Give them your support. Give to your Community Service Fund. "GIVE WHERE YOU LIVE."

PASTOR'S SON ENROLLED AT MARINE SCHOOL

Marine 2nd Lt. James H. Olds, 23, whose father Rev. Corwin H. Olds, is pastor of Campbell Congregational Church is currently enrolled in a 20 week Special Basic Course at Quantico, Va., at the Marine Corps Schools.

James Olds

The course instructs in the duties and responsibilities of a junior Marine Officer ashore and afloat and of an infantry platoon leader in particular.

It provides indoctrination in all infantry weapons, and other instruction on the squad, platoon, and company levels.

Upon completion of this course he may be assigned to duty with an infantry unit, or such other duties as the Marine Corps may direct.

Water Conservation Subject of Dobie Club Meeting

Dobie Club of Campbell Congregational Church will meet the evening of October 22, at Merriam Hall to hear a dinner address by former State Senator Herbert E. Jones of San Jose.

Jones address will follow a dinner which will begin at 7 p. m.

Subject of the talk will be on political aspects of Water Conservation in Santa Clara County.

CLUB ROUNDUP

LIONS HOST SONS

Thirty-seven fathers with their sons were present at the Father and Son banquet held Tuesday evening at Country Women's Club. Featured part of the evening was the film showing and remarks by Bill Perry, San Jose State line coach of the State-Arizona (Tempe) Football game.

Door prizes, and treats were furnished the youngsters.

ROTARY HEARS HUBBARD

Football was the theme of Campbell Rotary meeting, Monday. Wilber V. Hubbard, Director of Athletics at San Jose State College, talked on the problem created by the high cost of a football program as compared to the comparatively low gate receipts.

"State aid colleges can give no aid to football players" Hubbard said.

Hubbard said scholastic standards must of necessity be given primary consideration and said the school may have to inaugurate a football "de-emphasis" program.

Next week's Rotary program chairman has arranged for a speaker and film for the National Safety Council.

KIWANIS SEES FILM

Jim Muir, coach of Campbell Union High School, showed moving pictures of the football game with CUHS and Capuchino High School which ended in a 19-0 victory for the locals at the last regular meeting of the Campbell Kiwanis Club. Ralph Noddin was chairman of the day.

SAN TOMAS PTA TO HOLD FIRST PANEL NIGHT

San Tomas P.T.A. Unit will hold its first monthly meeting in the school Thursday, October 16th from 7:30 till 9:00 in the evening.

Feature of the evening will be a panel made up of teachers Mrs. ANNA MARIE SCHAFER, Mrs. DOROTHY BLAIR, and Mr. RAY WILSON. Parents participating will be Mrs. JAMES BARNETT, Mr. STEVEN ANDERSON, and Mr. Edward Tablak. Moderator is Mrs. Ann MERIDIER, vice president of the ampbell Grammar School.

Fathers are especially invited to attend as this promises to be an interesting evening.

POULTRY LAW, WEISEND HEARING, CREEK REPORT DUE NEXT MONDAY AT CAMPBELL COUNCIL MEETING

Main subject of next Council meeting Monday night will concern Poultry and Animal Ordinance, Engineering report on Los Gatos Creek bed, and hearing on application of Harry Weisend, matters held over from last meeting Tuesday.

Adoption of a Poultry ordinance Tuesday died for want of a second to Councilman Joseph M. Dahl's motion when Rincon Avenue chicken farm owners, Mr. and Mrs. J. W. Knowles objected to feed rack and manure cleaning provisions in the ordinance.

FOR FURTHER STUDY

Councilman J. Frederic Snyder moved and it was seconded that the ordinance be held over for further study. Copies of the ordinance were given Mr. and Mrs. Knowles and to John McBain, Giles Way.

Ordinance was the result of hot discussions between council and Giles Way residents, who objected to alleged flies, odors, and unsanitary conditions at Campbell Hatchery on Winchester Road.

UNDUE EXPENSE

Mr. and Mrs. Knowles, 30-year Campbell residents, said that neighbors, among whom was the late W. Calvin Bohnett, had never complained about their operation, but that complaints from persons unfamiliar with latest scientific commercial methods of poultry raising would cause undue expense to operators. They said sanitary inspections would be acceptable if conducted by the health officer.

WEISEND HEARING

Public hearing on application of Harry Weisend to conduct an automobile wrecking business was continued for another week for further study.

Weisend, represented by Attorney Louis Pasquinelli, presented signed letters from Dillon Avenue residents who attested there had been burning by Weisend between date of incorporation and effective date of interim zoning ordinance. If Council members find this to be fact, Council will have no jurisdiction over application under nonconforming use provision in ordinance. Weisend, however, would be limited in future operations to the burning time established between adoption of ordinance and date of incorporation.

CREEK REPORT

An engineering report on Los Gatos Creek bed gravel operations promised by A. J. Raisch Paving Company of San Jose and conducted by George L. Sullivan(dean of engineering department of Santa Clara University, will be read at council meeting next Monday, a communication revealed.

Report was requested by neighboring creek bed property owners concerned over loss of property from former winter creek conditions.

Sutton To Pitch In Buc-Bulldog Grid-Fest Friday

With two games (Capuchino, 19-0, and Fremont, 7-7) safely tucked away and a new school spirit evidenced by an enthusiastic cheering section, Coach Jim Muir's Campbell High School 'Buccaneers' invade San Jose High School's new stadium tomorrow afternoon at 3 p.m. for what appears to be an evenly matched football game.

LARRY SUTTON
Buc Passer

FUKUMURA HURT

What shaped up as a pitching duel between Campbell's Larry Sutton and San Jose's Mits Fukumura was changed with word that Quarterback Fukumura, focal point of the Bulldog passing attack, will be sidelined with a shoulder injury suffered in the San Francisco game last Friday, along with guard Louis Hernandez

13 FOR 17

San Jose Coach Ken Blue, State graduate, in his third year with the high school, was counting on a repeat performance of Fukumura's 13 out of 17 pass completions recorded in the James Lick game.

The local squad, though not entirely dependent on quarterback Larry Sutton's pinpoint passing to flankmen Russ Camilleri and Dewey Holmes, relies on it to a great extent for a change of pace in a well-developed running attack sparked by Bill Montero, Bill Gregg, Larry Pereira and Tony Musladin.

600 FOR SUTTON

Sutton chalked up a .600 average in last week's game with Fremont with nine out of 15 pass attempts completed. Coach Muir points out that Sutton's passing was effective in spite of a Fremont 7-2-2 defense against it.

Capable performances were also turned in at the Fremont tilt by Bill Gregg, who averaged five yards per carry, Larry Pereira with three per; Holm, 4¼, and Montero who averaged seven yards a try.

Standout line work was done in the Fremont game, according to Coach Muir, by Dick Gleed, who clobbered opposition at every point.

KEY PLAYERS

Others who will see heavy duty in tomorrow's game are Ron Eddlemon, Ron Webb, Bob Ciraulo, Wayne Womer, Ted Bohn, Bob Tokunaga, Gary Hingly and Ken Meleen. Muir said he was confident that they could hold their own against the Bulldogs.

San Jose High School to date has logged a 13-6 win over Lick at 25-12 pasting at the hands of South City and has tussled Fremont in an evenly-matched scrimmage which makes tomorrow's contest somewhat of a tossup from the scoring standpoint, but a thriller from a spectator point of view.

Campbell has wins over Capuchino, a tie against Fremont, and a successful scrimmage against Lincoln for experience.

RALPH BROWN IN HOSPITAL

Ralph W. Brown, eighth grade teacher at Moreland School is ill at University of California Hospital at San Francisco.

BIRD ODDITY STROLLS INTO CAMPBELL YARD

Mrs. Glen W. Dalton, 83 Hardy Ave., Campbell called the Press yesterday and wanted to know if anyone had lost a large bird about the size of a chicken, dove-grey in color, with a black head and a white beak.

The bird, she said, couldn't fly and just strolled into her yard through the front gate on its big webbed feet.

She thought it might be someone's pet since it didn't seem to fear either herself or her children.

After calling the humane society, she housed the ornithological oddity in the dog house, and went into the house for a camera to take its picture. When she returned, the bird was dead.

DOUG STRONG WINS CONTEST

Press football editor cut a new wrinkle in the convolutions of his cranium trying to dope out the winners of this week's football contest, but after nervously flipping a coin and consulting the office ouija board, finally decided on Mary Sue Field, P.O. Box 398, and Doug Strong, 370 Budd Avenue, as first place tie winners.

Second place tie money went to ubiquitous Pat Means, 131 Poplar street, and Don Pentzer, 626 Kenneth St., while third place money was awarded to Richard Bertges, 66 Ann Way.

Sally Seacord, Ronald Roeske Wed in Trinity Episcopal Rites

Sally Margaret Seacord and Ronald A. Roeske recited nuptial vows in an afternoon ceremony in the San Jose Trinity Episcopal Church, with Dr. Mark Rifebark and the Reverend Marshall Wickham officiating.

Sally's bridal gown was of white lace and nylon net, with slim bodice and gouffant skirt. Her fingertip veil was held by an Elizabethan bonnet, and she carried two white orchids on a Bible.

Mrs. Edward J. Wall of Crosby, N. D., as matron of honor, wore a gown of light blue nylon over taffeta and carried a French bouquet of pink and white carnations. Mrs. Wall is the bride's sister, as is Mrs. Frank Fields, who as bridesmaid wore lilac-pink nylon net over taffeta and carried a French bouquet of lilac and white carnations.

Miss Thelma Wall, niece of the bride, was flower girl in a frock of light blue net over lilac pink.

Mr. Edward Seacord gave his daughter in marriage. Mrs. Edward M. Seacord selected a navy blue silk suit, a French blue hat and black accessories for her daughter's wedding and pinned on a corsage of orchids.

Altar candles and candelabra in the white gladioli and stock appointed church were lighted by Stephen Scott and Charles Wormer, acolytes at St. Francis Episcopal Church in Willow Glen, dressed in their vestments.

Jesse Holt was the bridegroom's best man, and ushers were Arnie Wilson and Monty Dayton.

Mrs Alfred E. Roeske, mother of the benedict, chose a gunmetal silk suit with o ff-white hat and gloves and black accessories for the occasion.

Reception was held in the garden of the Seacord home on Meridian Road. The bride's table bore a thee-tiered wedding cake and two baskets of white gladioli and stock.

The new Mrs. Roeske donned a grey flannel suit, red shoes, red velvet hat and white orchids and carried a red purse when she left with her husband on the wedding trip to Santa B arbara.

The bride is a graduate of Campbell Union High School and San Jose State College. The bridegroom is the son of Mr. and Mrs. Alfred E. Roeske. He attended Yale University and will continue his studies this year as a junior at Stanford University. He also is a graduate o f Campbell Union High School. His sister, Mrs. Lyola Shafer of Lincoln, Nebraska, was unable to attend the wedding.

The matron of honor and her husband, Captain Edward J. Wall, came here from Panama City, Florida, for the nuptial event.

Mrs. M. E. Lacher Honored At Formal Dinner

Mrs. Mary E. Lacher, of 649 Old Orchard Road, a member of the Forrest J. Curry agency of the Penn Mutual Iife Insurance Company in San Francisco was honored (Monday, October 13th) at a formal dinner at the St. Francis Hotel. Mrs. Lacher is a member of the agency which receives the President's Award, the highest honor the company confers upon an agency group. Approximately 140 members and guests attended the dinner.

The award, an elaborate bronze plaque was presented to Mr. Curry by Malcolm Adam, president of the company, who comes from the home office in Philadelphia to officiate at the ceremony. Mr. Curry accepted the puaque on behalf of his 62 asociates.

Honored Queen Wilt Hostess Events for Bethel Families

Real treats are in store for Job's Daughters, Bethel 174, when Honored Queen Janis Henley hostesses special events in the near future.

Saturday, October 18, will be Family Fun Day, to be held in the gardens o the J. D. Crummey residence at 1855 Park Avenue, San Jose. The affair will open with swimming at 2:30 p.m., and later there will be games and a potluck dinner. Members not yet contacted for potluck plans should phone Mrs. Dorothy Harrison at Campbell 3671 for particulars. Participants should bring their own bathing suits and towels, tennis racquets and balls, table service and a potluck dish. The event will close about 8:00 p.m.

Next on the calendar is the Variety Show, scheduled for November 1st at the Campbell Grammar School at 8:00 p. m. Tickets are n ow on sale. Miss Starlene Petrea, ticket chairman, may be called at Campbell 3048. The show, composed entirely of Job's Daughters' talent, is directed by Mrs. Mary Ellen Everton. Rehearsals are being held regularly at the LBen Howard residence.

On Monday afternoon an all-girl orchestra met for practise with Miss Joline Howard as conductor. The orchestra will be a special feature of the Variety Show.

Last but not least on the current list of Job's Daughters' attractions is fun for the girls, their families and friends and the public, w hen Billy Jones' Wildcat Railroad will run once more.

Although Mr. Jones usually schedules no rides after October, he will give the little railroad an extra day of travel this year on November 16th, for the benefit of Bethel 174. Children and grownups alike enjoy the Wildcat's trip through orchards and around hills, and, too, they like to inspect the engines and equipment. Mr. Jones is a retired engineer, who built his miniature but passenger-worthy railroad concession for the p leasure of valley friends and the b enefit of youth work.

JANIS HENLEY, HOSTESS

Job's Daughters Have Inspection, Hallowe'en Party

State Officer, Mrs. Thelma Bramley, conducted inspection of Job's Daughters Saturday evening, October 11th, in the IOOF Hall, which was decorated in the Hallowe'en motif for the event. Chairman in charge of decor and refreshments was Miss Marceline Dale, who was assisted by committee members the Misses Marilyn Graham, Anita Andrews, Joanne Minehart, Diane Williams, Sue Coffin, Judy Keach and Janice Bacon.

The East wore a black background, brightened by a chain of gay jack-o-lanterns, while the West, in orange, presented skeletons, witches and other weird characters of All Hallows' Eve. In the dining room the theme was streamers on the white tables, carried out by orange and black orange punch and cupcakes frosted in orange with licorice features.

Corsages for the Grand Officer, the Guardian, Associate Guardian and five initiates were made by Mr. and Mrs. L. C. Shaper, under the chairmanship of Miss Lynn Shaper.

Honored Queen Janis Henley presented Mrs. Bramley with a gift of hosiery, which Mrs. Bramley received as an especially useful addition to her preparations for attending the Job's Daughters Convention in Long Beach, November 6th, 7th, and 8th.

Miss Barbara Lorenz, pianist, provided the musical program, playing "Meditation" and "Norwegian Concerto".

125 attended the affair, with special guests, Mr. and Mrs. Will Paul and Mr. and Mrs. Walter Walter Roberts, members of the Guardian Council of Bethel 129 of San Jose, escorted to the East and introduced.

On November 3rd Bethel 174 will exemplify its work for the Golden Rule Lodge of San Jose, with Worshipful Master C. E. Bradley, presiding. All members of the local Bethel are urged to be at the IOOF Hall at 9:30, October 25th for a practice.

Mrs. S. Sandlin Honoree At Party

Mrs. Sheridan Sandlin celebrated her 72nd birthday at a surprise dinner party given by her three daughters, Mrs. Alfred England, Mrs. Odus McGowan and Mrs. Roy Halt in her home at 58 Dillon Ave.

The centerpiece for the table was a large birthday cake surrounded by red and white carnations. The honoree received many lovely gifts.

Those attending were the honoree and her husband, Sheridan Sandlin, Mr. and Mrs. Alfred England, Mr. and Mrs. Odus McGowan and daughter Lee, Mr. and Mrs. Roy Holt and sons, John and Jesse, Mr. and Mrs. Bob Hagerty and son David.

Mr. and Mrs. Tony Bilardi and son Dennis, Mr. and Mrs. Eugene Holt and daughters Cherryl and Barbara, Mr. and Mrs. Sheridan England, and children Alice, Jerry, and Larry; Mr. and Mrs. Eddie McGowan, Mrs. Johnny Krkich and daughter Kathy; Mrs. Jay Holt and daughter, Marilyn, Mr. and Mrs. Delmar Webb, and daughter Pamela, Mrs. Nora McGowan and daughter Marjorie, Mr. Martindale and Mrs. Gertie Holt.

GUBSER SPEAKS AT LOCAL HOMES AT "COFFEE HOURS"

Charles S. Gubser's campaign for congress took him into local supporter's homes for "coffee hours" and talks. Monday evening he addressed a small gathering at the homes of J. H. Bradshaw, 821 Audrey Street; Major H. E. Lillingston, Old Orchard Road, and Hart Tantau, 18686 Stevens Creek Road.

Ever stop to think why train travel—and especially S. P. Pullman travel—is such a restful, relaxing and satisfying way of going places? Actually there are lots of reasons—some big, some small. Mostly it's because everything is done so smoothly and unobtrusively for your comfort and pleasure.

What other mode of travel gives you all this? Full-length beds with full-size sheets and blankets; a private room of your own, if you wish, with its own private lavatory facilities; air-cooling and air-conditioning; a friendly porter to give you prompt and attentive service day or night; complimentary shoe shines; ice water at your finger tips; delicious Dining Car meals, courteously served; a Lounge Car for refreshing beverages, magazines, newspapers and congenial traveling companions.

For overnight or longer trips—whether along the Coast or to the East—Southern Pacific streamliners provide the very finest of modern Pullman accommodations. Try them for *your* next trip. They are the last word in luxury travel.

THERE'S MORE TO S. P., TOO! S. P. is a road to remember for your freight shipments. We have more miles of lines serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service — whether carload or l.c.l. — call our nearest agent.

W. Calvin Bohnett, Pioneer Resident, Dies In Campbell

Last rites for W. Calvin Bohnett, 62, a native of Campbell and member of the prominent Bohnett family, were held Tuesday at Oak Hill Memorial Park.

Mr. Bohnett died Sunday at his home at 141 W. Rincon Avenue. He had been under treatment for a heart condition.

Born in Cambrian district, he attended school there and later graduated from San Jose Normal School, now San Jose State College, in 1907.

Between 1915 and 1923 he was a walnut grower in Lake County, and is credited with planting one of the first walnut orchards in that area.

He also taught in Lake ounty grammar schools, and used his ability as a violin player to lead youngsters in school bands. Upon his return to Campbell area, he became principal of Campbell Elementary school.

Bohnett studied law in his spare time and after admission to the State Bar, he was appointed one of the first two inheritance tax appraisers in Santa Clara County.

For about 20 years prior to 1945, he served as a deputy county treasurer, and also at one time worked several years as a buyer for J. C. Ainsley Cannery.

After 1945, he retired from his county position and was associated with Guy E. Farley Real Estate office in Campbell.

His mother, the late Tamer I. Bohnett, was born at Millikens Corners just north of Santa Clara in 1855, and his father, the late Joseph Bohnett, came here from Michigan in 1873.

He was a past master of Charity Lodge 362 of Campbell, and member of California Bar Association.

Surviving are his widow, Juanita; two daughters, Mrs. Emily Roberts of Campbell, and Mrs. Lois Kenworth of Long Beach; five sisters, Mrs. Mary Evans, Mrs. Lois Crews and Hattie Gardner, all of Campbell, Mrs. Pearl Powers of Watsonville and Grace Bohnett of San Jose; five brothers, L. B. and Ralph of San Jose, G. Enos of Felton, Floyd of Santa Barbara and Karl of ampbell, and four grandchildren.

American Legion And Auxiliary To Take Pot Luck

The American Legion and Auxiliary, Post 596, will hold their annual potluck dinner October 22nd in the IOOF Hall, with Autumn as theme of the decor. Mr. Charles S. Gubser will be after-dinner speaker. In charge of arrangements is Mrs. Rex Kaber, who should be contacted by those planning to attend the event so that contributions to the dinner may be coordinated.

The potluck will replace the dinner previously planned for the public, which has been postponed until a later date.

The 1953 membership drive is being launched by the Legion and Auxiliary. Veterans, as well as wives, sisters, daughters and mothers of veterans are cordially invited to attend the potluck dinner and regular meetings. The organizations meet on the second and fourth Wednesdays of each month in the IOOF Hall. The program of the groups is an industrious one, providing aid to hospitalized veterans and to other needy veterans and their dependents. Anyone desiring transportation to meetings may call Mrs. H. A. Olson, at Campbell 2824.

THAT ONE VOTE—

Thomas Jefferson was elected President by one vote in the electoral college. So was John Quincy Adams.

Rutherford B. Hayes was elected President by one vote. His election was contested, and it was referred to an electoral college. Again he won by ONE VOTE.

The man who cast that deciding vote for President Hayes was a congressman from Indiana, a layer who was elected to Congress by a margin of just ONE VOTE that was cast by a client of his, who though desperately ill, insisted upon being taken to the polls.

By just ONE VOTE there came into the nation the states of California, Idaho, Oregon, Texas and Washington. Today all the millions living in those states are Americans by just ONE VOTE.

Adventists Urge Yes Vote On Proposition 3

Harold H. Hare, pastor of the Campbell Seventh day Adventist church, returned October 13, from San Jose where he attended a meeting of pastors, evangelists, and other conference workers of the Central California Conference of Seventh-day Adventists.

Chairman of the meeting was Elder R. C. Baker, president of the conference. Purpose of the conclave was to organize the forces of the conference in a campaign to inform the electorate of this area of the state as to the questions at issue on Proposition No. 3, granting tax exemption to church and other non-profit schools. Church advocates a yes vote on the proposition.

Principal speaker was R. L. Benton, Religious Liberty Secretary of the Pacific Union Conference of Adventists.

CHILDREN'S GUILD TO HEAR REPORT OF COMMITTEES

Children's Service Guild will meet Monday, October 20th, at 1 p. m. in the Conference room of the main building of the Santa Clara Hospital. Mrs. C. C. Chamberlain, president of th egroup, will preside over the meeting, at which time the report of the nominating committee will be read.

Mrs. Auris Root, program chairman, announces that Dr. Helen Mehr, psychologist, will talk to the group on a subject of great importance to them. Also, Dr. Milton Chatton, new Director of Medical Institutions of Santa Clara County Hospital will be introduced to Guild members.

CAMPBELL REGISTER

Mrs. CORA KAUFMAN was feted at a retirement party last week by Mr. and Mrs. JAY BUTLER of Saratoga, Dr. RAYMOND and Dr. RUTH LANDON, Mr. and Mrs. WILBUR MITCHELL, Mr. and Mrs. ROY HICKS, Mrs. LAURA MACLEAN, Mrs. NILA SHERLOCK, DOROTHY DAVIS, LILLIAN HICKS, and HUDSON SHERLOCK. Mrs. Kaufman, who is associate matron of Eastern Star, Chapter 553, plans to spend more time on OES work.

Mrs. ALFRED TESTA was honoree at a stork shower given by Mrs. REX KABER in her Emory Avenue on the evening of October 9th. African marigolds were used in the decor for the party, and coffee, cake, and jello were served. Present to honor Mrs. Testa were the hostess, Mesdames RAY WOOD, C. M. CLEVER, ANNIE HEDEGARD, H. A. OLSON, REX FULLER, ARTHUR SMITH, HERBERT MYRING, ETHEL WEEKS, WILLIAM BURCH, OTTO HANSEN, CARL OLSON, JOHN MORLEY, BERNARD BARRETT, MARY HUMMEL, HAROLD STRICKLAND, L. C. FAIRCHILD and Miss KAREN OLSON.

Mrs. Testa's husband sailed recently for Germany, where he is stationed with the Armed Forces. Mrs. Testo plans to join him in the near future.

Mr. R. B. EDWARDS of E. Campbell Avenue boarded the Zephyr Vista Dome a week ago Wednesday for a visit to Washington, D. C. His itinerary includes all the sights of the capital; in particular he has been eager to see the Shrine Temple. He will be gone for about three weeks.

To bid him bon voyage, children and grandchildren gathered at he home of Mr. and Mrs. R. B. Edwards; son F. WADE EDWARDS and his wife of Menlo Park; daughter Mrs. FRED COFFEE and her husband and children, RITA and DAVID, of San Lorenzo; daughter Mrs. JANICE HEINEMAN and children, JUDY and STEPHEN, of San Jose; son RICHARD EDWARDS and his wife and children, KAREN and CYNTHIA; son KENNETH EDWARDS and his wife, of Felton. Mrs. Kenneth Edwards continued to visit with Mrs. Edwards for a few days after Mr. Edwards departure.

Mr. and Mrs. RICHARD EDWARDS and their daughters moved into their new home at 767 E. Campbell Avenue last week.

Mrs. JESSIE SILBERBAUER recently received a letter from Mrs. LILLIAN OHLEN, who, with Mrs. MARION PAICE, sailed on the "United States" in September. The letter was written soon after the luxury liner landed in Southampton, England, September 19th. Mrs. Ohlen reports a good voyage with only one rough night, marvelous shipboard menus and music and entertainment all the way. The trip in the Vista Dome also lived up to expectations, and the travelers enjoyed good weather all the way to New York. They spent about five hours in Chicago en route. In New York they stayed at the Statler Hotel for two days and took guided tours to see everything, from Skid Row to Rockefeller Center. The ladies were particularly impressed by the New York Cathedral of St. John the Divine, the largest gothic edifice in the world, which contains seven chapels in which services are held in seven languages.

The two friends planned to go toLondon the day after the letter was written, then to separate griefly to visit relatives. Mrs. Ohlen scheduled trips to Penzance, to Scotland,t o Paris and to Switzerland.

Mrs. Silberbauer promises Campbell readers more news of Mesdames Ohlen and Paice when she hears from them again.

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of this paper.

Dear Sir:

The electorate of Campbell will shortly be called upon to decide whether or not to burden local taxpayers with additional taxes of a questionable necessity for the erection of a proposed West Valley hospital near Vasona Junction. And, whether or not it would be more to the public interest to forego any construction at this time and use such tax monies to provide necessary and adequate facilities in order to secure efficient city operations.

In any event, the presently available city equipment and facilities are inadequate for accomplishment of efficient city management, and therefor, the city officials of Campbell cannot indefinitely evade or avoid some active provision for the acquisition of essential additions. All of which will cost money, the only source of which, is from TAXES.

Before contemplating the assumption of any additional tax burden for the erection of a hospital beyond the city limits of Campbell, the local taxpayer should realize that Campbell is a newly incorporated city. And what the present city property (other than ear-marked funds) consists of some fire fighting apparatus, a fire-house station, and a recently acquired police patrol car with some office equipment, etc.

The city needs a town hall; additional police department equipment and a suitable housing arrangement for equipment and personnel; additional fire-fighting equipment; various items for the public works department; etcetera. Temporarily, the present fire-house station can be used as a combined city hall-fire-police department building. But, such an arrangement is not satisfactory and conditions will continue to worsen as the city enters full scale operations. Furthermore, such continued use will adversely affect the fire insurance rates to a point where the property owner is severely penalized on account of a short-sighted administrative policy and false economy.

It may be necessary to erect a jail. Before long the public will begin to clamor for a city park and various recreational facilities. And, how long will it be before demand is made for an enlarged and more modern library? Conceivably, other city features will be demanded and even become an inperative essential within a year or so.

All of these things will cost money. Just how much will depend on total population to be served, forecast of future requirements, completeness of construction, and degree of serviceability desired. As a matter of fact, the cost will depend largely on the amount fixed by the city council and on the accuracy of their estimate as to a reasonable future requirement. Manifestly, it would be an idle gesture for the writer to make any computation at this time. But two things are certain—the taxpayer will suffer the consequences in all cases of error in judgment or action on the part of the city officials.

The failure to adequately provide for future need of buldings, fixtures, and grounds has been, and still is, a source of considerable loss to local taxpayers of several Santa Clara County cities. Such loss being occasioned through city growth making the original installations obsolete or inadequate for present needs. This is especially noticeable in cases where no provision was made for future expansion, with specific reference to land area. As a result, city operations are now hampered to such an extent that present maintenance and operating expenses are far in excess of what they would have been if more care had been exercised at the beginning of city activity.

Buildings and fixtures can be replaced more or less readily. Except, of course, in the case of massive and costly structures. There is, however, little likelihood of such a Campbell need for many years hence. The blunder that has caused the most serious tax-money loss is where a city administration has provided land area on the basis of a village requirement without any consideration of inherent capacity for development or necessity.

The laws relating to hospital districts provide that the board of directors of the West Valley district are authorized to levy taxes at the rate of 25 cents per $100 of the assessed valuation of all property. This rate would produce an annual tax collection of between $16,000 and $20,000 from the taxpayers of Campbell. And, the amount would be more than sufficient to finance any reasonable program covering modern buildings and fixtures with ample ground area likely to be needed for a decade or more. Of course you can have both the modern city facilities and the hospital at well by loading the taxpayer with a heavier tax burden. Or, you can pass on an unjust tax burden to future generations by providing the city of Campbell with make shift facilities at this time.

LESLIE KERR

CAMPBELL HI-LIGHTS

by Bob Olson

Tomorrow afterinoon our surprisingly good football team will travel in to San Jose to play San Jose High School at their field. And who will be so bold as to predict that the Bucs won't win second game of this still young season? Certainly we looked GREAT last Friday night at Fremont. I mean we all looked great. Our team, though outweighed, out played the Indians in all but a few minutes of the whole game. (Unfortunately, those few minutes occurred on a second half kickoff return when Fremont halfback Bill Vallotton uncorked an 85 yard touchdown run making a 7-7 tie which was never broken.) Our fans, thought outnumbered. outshouted and outpom-pomed the Fremont rooters. It seemed to us that most of the noise and enthusiasm came from the north stands where Campbell folks filled the crisp night air with yells when there was anything all worth yelling about. Our band looked sharp forming neat letters out on the field. In fact, all of CUHS's representatives (and there must have been over 1000) made a fine impression on the Sunnyvale folks.

The game at San Jose shouldn't be anywheres near as tough. The Bulldogs are still smarting from their defeat (12-25) to South San Francisco last Friday. And two of their stars are already injured: Guard Hernandez is out for the season with a fractured leg, and passing star Fukumura is having sore arm trouble. But then let's not underestimate our opponents or blow up Campbell. After all, look what happened to Fremont (touted all Summer as 1952 champs!). A week from tomorrow Campbell returns home for a 3:30 afternoon game against James Lick.

***

Students at CUHS are learning the practical as well as the academic. Certainly this is true of our typists and shorthand-takers. And certainly it's true also of our "projection crew." This crew, under the tutelage of Miss Flagg, is responsible for knowing how to operate all our audio-visual equipment and for assisting teachers in showing films to classes. give of Thank to these fellows who freely give of their study hall time every CUHS class is much more than just booklearning and test-passing.

We're all looking forward to "HERE WE GO AGAIN," the PTA benefit show to be presented in the school auditorium for one night only on October 24. This year's extravaganza will include a sensational "Manhattan Tower" pantomime (requiring a cast of over 60 students), French and Spanish dances and songs, some new selections by the CUHS orchestra, and eight sparkling comedy skits.

The CUHS Paper Drive is again under way. From now through Wednesday, October 22, magazines and papers are being brought to school tied in bundles. A contest to see who can collect the most is being run in all administrative classes with a $10.00 prize to the most "collecting" group. Proceeds of the drive go toward the support of additional social and athletic activities.

Bob Pentzer, Boys' Athletic Commissioner, and Mr. Gene Gamez, advisor of the Managers' Club, are looking for more boys to help manage football, basketball, and other school sports this year. Besides the joy of mingling members enjoy frequent potluck with and serving athletes, club dinners, barbecues, and skating parties.

In a future column, we'd like to say a lot about two basketball teams already representing Campbell in inter-school competition. We mean our C's and D's, who are playing Lick there tomorrow afternoon at 3. And we'd like to say a lot about the coach, Bert Robinson, who is already quietly doing a terrific job in what seems like an off season.

Altogether we must have the finest high school coaching staff in the state right here at Campbell. Certainly they're living embodiments of really "good sportsmanship."

The "persuasion" used to interest girls in joining the Swim Club are worthy of note: "(1) C'mon gals, it's good for the figure, and (2) You get to ride home on a bus loaded with guys from the football and basketball teams!"

The nation's 2,950,000 Scouts and Leaders are conducting their "Get-Out-The Vote" Campaign in cooperation with the Freedoms Foundation.

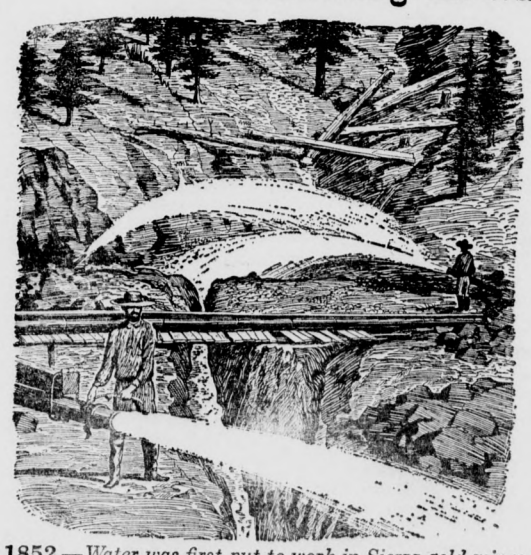
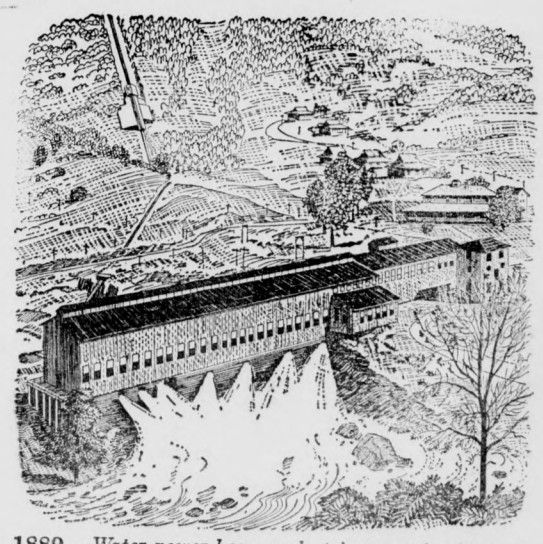
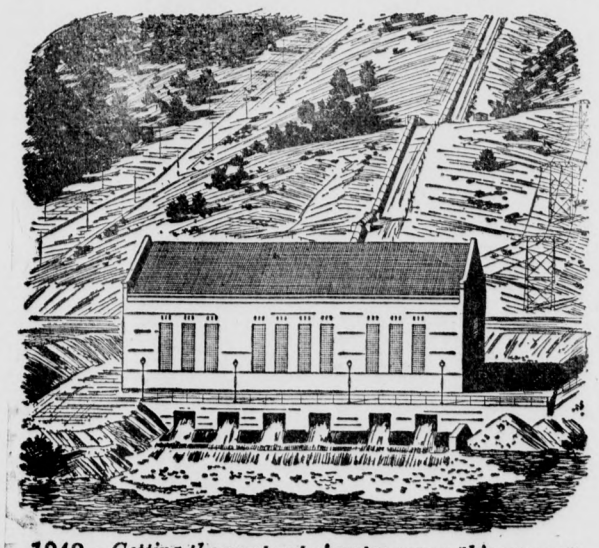
100 YEARS EXPERIENCE
Harnessing the water power of the Sierra



1852—*Water was first put to work in Sierra gold mines served by South Yuba Water Co., a P. G. and E. parent.*



1889—*Water power became electric power in this early Electra plant. Former hydraulic miners helped build it.*



1949—*Getting the most out of water power, this compact new Electra has five times the capacity of the old plant.*

All through the Sierra country you'll see P. G. and E. hydro-electric plants taming mountain water to bring power to you. Here, as elsewhere on our system, careful management and constantly improved efficiency have helped reduce electric rates far below the U. S. average. Today you pay $2.50, on the average, for electricity that would have cost $20 in 1889. This century of P. G. and E. experience has made good electric and gas service truly cheap throughout Northern and Central California.

CAMPBELL REGISTER

Mr. and Mrs. C. J. ANDERSON of E. Campbell Avenue, their daughter, Mrs. RAYMOND PERUSSE, and grandson, GARY PERUSSE, of Oakland, returned recently from a month's holiday which took them to Massachusetts, native state of the Andersons. Mr. Anderson was born in Boston, Mrs. Anderson in Gloucester. The four visited with relatives in Lynn and Gloucester and stayed with friends at their summer camp on Lake Winnisquam in New Hampshire. Everyone boated, and Mr. Anderson fished.

The foliage was starting to turn before the California party turned homeward, and the Mohawk trail delighted them with leaves of varied hues, even pink and rose.

The family group stayed overnight at Lake Tahoe on the way back. In all, they drove 7800 miles.

Mrs. DEAN CHAMBERLIN of E. Campbell Avenue will be hostess for the regular business meeting of the Campbell Women's Service Club October 22nd at 2:00 p. m. Co-hostesses will be Miss WINNIE GRIZZLE, Mrs. GREGORY H. PARKER and Mrs. ERNEST FOREMAN. Mrs. EVERETT NELSON, club president will preside.

Miss JANIS HENLEY, Honored Queen of Job's Daughters, Bethel 174, Miss YVONNE RAPPE, Outer Guard, and two choir members, Miss LEANNE BUCHANAN and Miss LINDA FOREMAN, with Mr. and Mrs. THOMAS BUCHANAN and son RANDY, attended a reception for Mrs. ROBERTA STEIN, Grand Fourth Messenger of the Grand Guardian Council, in Oakland on Octobed 12th.

Mr. and Mrs. A. E. BRYDON of East Campbell Avenue are to be congratulated on the advent of a granddaughter, KAREN LEE OGREN, who was born in the San Joaquin Hospital in Stockton. Karen's father is a doctor who formerly practised in San Jose, and her mother used to be a Campbellite. Karen's brother, CHARLES, is 13 months old.

Sharing grandparental pride with the Brydons are Mr. and Mrs. R. O. OGREN of Los Altos.

"Whatever You Do - Vote YES on 2"

OUR SCHOOLS ARE IN TROUBLE! Because of the inflation, soaring birth rate, and huge out-of-State population increase since the end of the War, most school districts in California today just don't have enough money to make ends meet!

PROPOSITION 2 IS THE ANSWER. Proposition 2 gives school children and taxpayers *both* a break by increasing the State's share of school support—thus keeping our schools open without increasing the tax burden on homeowners.

WE ALL WANT BETTER SCHOOLS. We may differ deeply on election day over candidates and other ballot issues, but we all agree our children's educational needs must be met. That's why Democrats and Republicans, labor, business and farmers, *all* say: *Whatever you do—*

Vote "YES" on Proposition 2

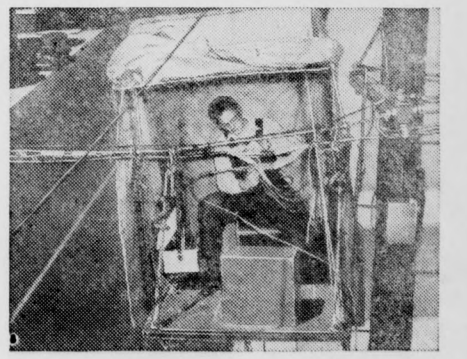
While working—on the job or around home—telephone men find these glasses virtually eliminate eye injuries

SAFE SIGHT | Their vision may be perfect, but most telephone men wear glasses now—special safety glasses that look like ordinary ones

Next time you see a group of telephone men at work, take a second look. Chances are you'll notice they're wearing glasses, perhaps in several different styles. A coincidence? No—for most telephone men now wear individually-fitted safety glasses, and experience has shown that they drastically reduce the danger of eye injuries. That's because they're rimmed, specially treated glasses that won't shatter or break under severe impact. In the last 2 years, they've been issued to some 20,000 Pacific Telephone men as a key part of our Eye Protection Program. And this program is actually only one part of the company-wide safety campaign that has made telephone jobs among the safest in the nation.



Far above the ground, this cable-splicer is completing an aerial splice. Looks hazardous, doesn't it? But the fact is, he's a lot safer than the average pedestrian crossing a busy street. The "messenger strand" from which his work platform is suspended will support a weight far in excess of the safety requirements. His glasses, safety belt, gloves, tools and methods of working are all carefully designed to guard his safety. And, of course—like telephone people everywhere—he observes the familiar Bell System creed: *No job is so important and no service is so urgent that we cannot take time to perform our work safely.* We think it's a good creed—especially important to us, to you and to the nation in these critical times.

Your telephone is one of today's best bargains

Perhaps the best way to illustrate how low telephone rates are today is to compare our prices with those of other things you use every day—food, for instance. If the price of coffee, for example, had gone up no more, since 1940, than average telephone rates in Pacific Telephone's territory, you'd be able to buy coffee today for about 29 cents a pound.

Robert J. Locke Chosen Director Of Auxiliary Police

Campbell patrolman Robert J. Locke was appointed director of Campbell's Auxiliary Police force at City Council meeting Tuesday night. Force is in operation at the present time and applicants 21 to 50 years old are being screened by department officers.

Auxiliary officers must be willing to purchase a uniform and be able to donate 12 hours a month to police instruction including a six hour shift on patrol with one of the regular officers.

Additional information may be obtained from city office (Campbell 2255) or by contacting one of the patrolmen. Police report read at council meeting listed 22 arrests, 29 citations, 36 violations, and 12 felony cases during the month of September.

Total personal property recovered by the department was valued at $2300.

New Teacher Added To Moreland Staff

Moreland school has a new teacher added to the faculty. Mrs. Margaret Mary O'Donnell joined the staff as a fourth grade teacher, when crowded conditions made another division necessary, according to Mrs. Gussie M. Baker, principal.

There are now three fourth grade classes at Moreland school Mrs. Baker said.

Former Resident Still Enjoys Local Paper

The following letter was received by the Campbell Press from Mr. and Mrs. Irving Townsend, former Campbell residents presenly living at Ruins National Monument, operated by U. S. National Park Service.

In the letter, Mr. Townsend, said he continued his vacation time pleasure by reading accumulated copies of the Campbell Press and enclosed a check for a year's subscription, with the comment that any surplus be donated to Campbell Area Community Service Fund Drive.

The letter reads:

"Gentlement:

Have just returned from a vacation trip to Canada, including enroute, Tetons, Yellowstone, Glacier, Lake Louise, and Banff National Park, on both sides of the border.

Continued my pleasure by catching up on the accumulation of Press issues upon my return..

The Ruins National Monument, operated by the U. S. National Park Service where I maintain my residence, has enjoyed the greatest travel year on record. Our visitor high point was, of course, the visit by Mr. and Mrs. Ralph H. Hyde duing the past season.

We would like very much to enjoy the visits of other "Home Town" Campbellites who annually trek across the continent and about whom we read in the Press.

This outstanding ruin of prehistoric Indian Pueblo culture would prove one of the inspirational adventures, outstanding in the memories of those who may come to visit.

Mrs. Townsend (nee Virginia MacNair) and I both enjoy from stem to stern, Th Campbell Press and its weekly record of events in and around our "old diggings". Many of those who made those events are, of course, old friends and neighbors with most of whom we were personally asquainted 30 or more years ago.

How that town grows! I used to squeeze the dust between my toes going down .'main Street Campbell Ave. and drop in at "Dad" Genassi's for a stick of licorice back before, and in the early teens.

Herewith my check for another year.

Cordially,
Irv Townsend

P. S. I can't seem to find the subscription rate in the current issue. Should my check be too little, please bill me for unpaid balance; if too large please donate any surplus to community chest.

Mrs. LEILA GLINBURG of Paradise was a recent ten-day guest of Mrs. J. C. PARR Sr. on Harrison Avenue. Mrs. Glinburg has property in San Jose and managed to attend to business matters as well as enjoy the hospitality of her good friend, Mrs. Parr.

Holds First General Meeting

Ernest Rideout, principal of Cypress school, was host to Campbell Union School District teachers for their first general meeting of the year. The meeting was held in the cafetorium of the new school, and in the absence of William C. Henley, district superintendent, Mrs. Helen Petersen was in charge.

John Duncan briefed the teachers on Proposition No. 2, which will be on the November ballot. Importance of the passing of this measure was stressed.

the proposal will increase state aid

Duncan reminded teachers that to this district without raising the local tax.

Mrs. Grace Rowe, associate professor of education, teacher training of San Jose State College, talked to the teachers on Parent Group Conferences.

Methods and techniques of conducting parent conferences were discussed. All Campbell teachers will have get-acquainted conferences with parents this year as part of th ereporting program.

SEVEN YEARS OF FUNERAL INSURANCE IN YOUR COMMUNITY

For the past seven years, we of the RUTHERFORD FUNERAL HOME have been steadily promoting the FOREST LAWN PROTECTION PLAN in the Campbell area. Many people have appreciated the value of this plan when the need ariss—the feeling one has of financial independence in knowing that he will not be in need of good will collections from friends and relatives who have their own family cares.

All under 80 are eligible. Pensioners especially are invited to register in this plan. The full face value of the policy will be paid at death *regardless of how little has been paid in.*

THE RUTHERFORD FUNERAL HOME has been selected as the exclusive *cooperator* for the promotion of the FOREST LAWN PROTECTION PLAN in the Campbell areafl For free literature or interview without obligation, call
